The detailed procedure to be followed in this regard has been given in **Annexure A** to the Notice. The members are requested to go through them carefully.

Instruction for the remote e-voting:

How do I vote electronically using NSDL e-voting system?

The way to vote electronically on NSDL e-voting system consists of “two steps” which are mentioned below:

Step 1: Login to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-voting system.

Details on Step 1 is mentioned below:

How to log-in to NSDL e-Voting website?

1. Visit the e-voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a personal computer or on a mobile.
2. Once the home page of e-voting system is launched, click on the icon “Login” which is available under ‘Shareholder’ section.
3. A new screen will open. You will have to enter your User ID, your password and verification code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS you can log-in at <https://eservices.nsdl.com> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-voting and you can proceed to step 2 i.e. cast your vote electronically.
4. Your User-ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For members who hold shares in demat account with NSDL	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****
b) For members who hold shares in demat account with CDSL	16 Digit beneficiary ID For example if your beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form	EVEN number followed by Folio Number registered with the Company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Your password details are given below:

a) If you are already registered for e-voting, then you can use your existing password to login and cast your vote.

b) If you are using NSDL e-voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

c) How to retrieve your '**initial password**'?

(i) If your e-mail ID is registered in your demat account or with the Company, your 'initial password' is communicated to you on your email ID. Track the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a pdf file. Open the pdf file. The password to open the PDF file is your 8 digit Client ID for NSDL account, last 8 digit of client ID for CDSL account or folio number for shares held in physical form. The pdf file contains your USER ID and your 'Initial Password'.

(ii) If your email ID is not registered, your 'initial password' is communicated to you on your postal address.

6. If you are unable to retrieve or have not received the 'Initial Password' or have forgotten your password:

(a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

b) "**Physical User Reset Password?**" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered email address.

d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-voting system of NSDL

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle is in active status.
3. Select “EVEN” of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
6. Upon confirmation, the message “Vote cast successfully” will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

- 1 Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to moonkaassociates@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries for e-voting, you may contact the following NSDL officials: M/s. Pallavi Mhatre at e-mail id pallavid@nsdl.com or M/s Sarita Mote at e-mail Id saritam@nsdl.com or at 022-2499 4559/022-2499 4545/toll free number – 1800-222-990.

Balance Available for appropriation	(1,49,302.50)	(1,59,129.68)
Add: Transferred from Revaluation Reserve	Nil	Nil
Balance of Profit carried forward	(1,49,302.50)	(1,59,129.68)

BUSINESS ACTIVITIES:

a) Textile Division

There has been a huge slowdown in the Textile market. Export market also has been reduced substantially resulting closure of many textile industries in India Including the textile industry hub in Surat(Gujarat), Tiruppur(Tamil Nadu),etc. The textile division is passing through the worst phase in these times and in order to remain in the market, we could only utilize 50% of our capacity. This has resulted huge losses to the Textile Division. However, we expect the situation will improve in the coming years.

b) Fine Yarn & Carpet Division

Jute Fine yarn division has earned nominal profit.

Carpet manufacturing unit is closed and under suspension of work.

The segment wise working results of the company are as follows:

(Amount in '000)

Particulars	Textile Division	Fine Yarn Division	Carpet Division	Trading Division	Unallocated Income	Unallocated Expense	Total

Independent Auditor's Report
To The Members of **The India Jute and Industries Limited**

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying Financial Statements of **The India Jute and Industries Limited ("the Company")**, which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effect/possible effects of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

Attention is drawn to the following notes to the financial statement:

- a) Note No. 18(a) regarding non-provision of actuarially ascertained liability for gratuity (to the extent identified and ascertained for the period upto 31st March, 2003) aggregating to Rs. 19,463.30 thousand and non ascertainment and non provision of liability for gratuity for the period from 1st April, 2003 to 31st March, 2023 which is not in accordance with Ind AS 19 "Employee Benefits". Consequentially, other equity as on 31st March, 2023 would be lower by Rs. 19,463.30 thousand and Provisions would be higher by the like amount. However, in absence of actuarial valuation as per Ind AS 19 on employee benefit, accrued liability for gratuity has not been ascertained and necessary provision has not been made for the period from 1st April, 2003 to 31st March, 2023.
- b) Note no. 14(i)(2) regarding non-provision of penal interest etc. amounting to Rs. 3,816.01 thousand (including Rs.162.76 thousand for the year) on the sales tax loan from West Bengal Industrial Development Corporation Ltd. to the extent ascertained in accordance with Ind AS- 1 on "Presentation of the Financial Statements". Consequently, as ascertained, profit for the year ended 31st March, 2023 would be lower by Rs. 162.76 thousand, other equity would be lower by Rs. 3,816.01 thousand and other current liabilities would be higher by the like amount.
- c) Note no. 14(i)(10) regarding non-provision of interest aggregating to Rs. 5,764.31 thousand (including Rs. 149.59 thousand for the year) on unsecured loans which is not in accordance with Ind AS-1 on "Presentation of the Financial Statements". Consequently, as ascertained, profit for the year ended 31st March, 2023 would be lower by Rs. 149.59 thousand, other equity would be lower by Rs. 5,764.31 thousand and other current liabilities would be higher by the like amount.
- d) Note no. 14(i)(2) regarding non provision of interest, penal interests, liquidated damages etc. payable to the Financial Institutions / Assignees / Other Parties since 01st April, 2002, which is not in accordance with Ind AS-37 on "Provisions, Contingent Liabilities and Contingent Assets", the impact of which is presently not ascertainable.
- e) Note no. 4 (1) regarding non-ascertainment and non-provision for the impairment of assets which is not in accordance with Ind AS-36 on "Impairment of assets", the impact of which is presently not ascertainable.

Independent Auditor's Report (Contd.)

To The Members of **The India Jute and Industries Limited**

- f) Note no. 6(i) with regard to non-ascertainment of status, classification under current and non - current and recoverability of fixed deposit for Rs. 1,727.72 thousand pledged with State Bank of India and security deposit of Rs.246.16 thousand;
- g) Note no. 7 regarding non-ascertainment of realizable value of inventories (other than finished goods) and consequent impact on its carrying amount as on 31st March, 2023, if any, is not in accordance with Ind AS-2 on "Valuation of Inventories", the impact of which is presently not ascertainable;
- h) Note no. 14(i)(4) regarding shortfall in the book value of security as compared to the amount of secured loan;

Independent Auditor's Report (Contd.)

To The Members of **The India Jute and Industries Limited**

This has resulted in the overstatement of the carrying amount of such financial assets and understatement of the 'Provision for Expected Credit Loss' for the year. In the absence of adequate information including the classification and policy for determination of expected credit loss on the financial assets, the impact of the above non-compliance cannot be quantified.

- r) Note no. 14(i)(6) regarding write back of Excise Duty Loan obtained under a Scheme for Excise Relief for weak Industrial units in terms of Notification no. 6-3/85/1F-1D dated 17th October, 1989 amounting to Rs. 35,377.00 thousands. Also non-provision of liquidated damages aggregating to Rs. 1,33,828.76 thousand (including Rs. 6,190.98 thousand for the year) on aforesaid loan. Consequently, as ascertained, profit for the year ended 31st March, 2023 would be lower by Rs. 41,567.98 thousand, other equity would be lower by Rs. 1,69,205.76 thousand and borrowings and other current liabilities would be higher by Rs. 35,377.00 thousands and Rs. 1,33,828.76 thousands respectively.

s) **Material Uncertainty Related to Going Concern**

The company has suffered substantial losses leading to erosion of its net worth as on 31st March, 2023. The company has prepared its financial statements on going concern basis for reason being stated in Note No. 29(8). However, the ability of the company to continue as a going concern is dependent upon the future profitability and viability of operations which presently cannot be commented upon;

We further report that, without considering the impact of items mentioned in the point (d) to (s) above, the effect of which could not be ascertained presently, had the impact of the item referred to in Point (a) to (c) above been given in the financial statement, the loss for the year would have been Rs.32,053.15 thousands (as against the reported profit of Rs.9,827.18 thousands), Other equity would have been in negative for Rs. 3,16,314.30 thousands (as against the reported negative figure of Rs.1,18,064.92 thousands), Provision would have been Rs.51,796.22 thousands (as against the reported figure of Rs. 32,332.92 thousand), Borrowings (Non-current) would have been Rs.78,541.03 thousands (as against the reported figure of Rs. 43,164.03 thousand) and other current financial liabilities would have been Rs. 1,61,712.22 thousand (as against the reported figure of Rs. 18,303.14 thousand).

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our qualified opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our qualified opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Independent Auditor's Report (Contd.)

To The Members of **The India Jute and Industries Limited**

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditor's Report (Contd.)

To The Members of **The India Jute and Industries Limited**

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

(xvi)	a)	In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under Clause (xvi)(a) and (b) of paragraph 3 of the Order is not applicable to the Company.
	b)	In our opinion, the company is not a Core Investment Company and there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause (c) and (d) of paragraph 3 of the order is not applicable to the Company.
(xvii)		The company has incurred cash losses in the current financial year amounting to Rs. 21,958.68 thousand. However, no cash losses were incurred in the immediately preceding financial year.
(xviii)		There has been no resignation of the statutory auditors of the Company during the year.
(xix)		On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, in our opinion, material uncertainty may exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet. We further state that our reporting is based on the facts up to the date of the audit report (Refer Note s in the in the Basis for Qualified Opinion paragraph of our Audit report).
(xx)		The Company is not required to spend towards Corporate Social Responsibility (CSR). Therefore the provisions of clause (xx) (a) and (b) of paragraph 3 of the Order are not applicable to the Company.
(xxi)		The Company is not required to prepare consolidated financial statements. Therefore the provisions of clause (xxi) of paragraph 3 of the Order are not applicable to the Company.

Independent Auditor's Report (Contd.)

To The Members of **The India Jute and Industries Limited**

"Annexure B" to the Independent Auditor's Report**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of The India Jute and Industries limited ("the Company") as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Independent Auditor's Report (Contd.)

To The Members of **The India Jute and Industries Limited**

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the Company's internal financial controls over financial reporting as at March 31, 2023:

- a. As stated in Note no. 29(12) of the financial statement, the Company does not have a process of obtaining year end confirmation of balances in respect of Borrowings, Security Deposit, Trade Receivables, Trade Payables, Other Current Liabilities, Short term Loans and Advances and Fixed Deposit Accounts.
- b. As stated in Note no. 18(c) and 14(2) of the financial statement, the Company does not have control in respect of ascertainment and extent of dues payable with regard to loan/interest/penal interest, liquidated damages, gratuity etc. payable to financial institution/assignee/other parties;
- c. As stated in basis of qualified opinion para read with Note no. 14(2), 14(8), 14(10), 29(2), 18(a), 4(1), 6(i), 7 and 29(1) of the financial statement, the Company's financial statement is not prepared in accordance with generally accepted accounting principles including relevant Ind AS.
- d. As stated in Note no.29(6) of the financial statement, all related party transactions and balances are not identified and appropriately disclosed in the financial statements.
- e. The Company does not have internal audit system.

Independent Auditor's Report (Contd.)

To The Members of **The India Jute and Industries Limited**

A "material weakness" is deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above under Qualified Opinion paragraph on the achievement of the objectives of the control criteria, the Company has, in all material respects an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

We have considered material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March, 2023 financial statements of the Company and these material weaknesses affect our opinion on financial statements of the Company for the year ended 31st March, 2023 [our audit report dated 26th August, 2023, which expressed an qualified opinion on those financial statements of the Company].

Note forming part of the Financial Statements

Note 1 Corporate information

The India Jute and Industries Limited ("the Company") is a public limited entity domiciled in India and is engaged in the business of manufacturing of Synthetic and Cotton yarn.

Its registered office is situated at 4A, Shree Ganesh Business Centre, 216, A.J.C. Bose Road, Kolkata, West Bengal (700017). The financial statements for the year ended 31st March, 2023 were approved for issue by the Board of Directors on 26th day of August, 2023.

The Company is registered with Securities and Exchange Board of India (SEBI) as a member of Calcutta Stock Exchange (CSE).

Note 2 Significant accounting policies

2.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 ('the Act'). The financial statements have also been prepared in accordance with the relevant presentation requirements of the Act.

2.2 Basis of preparation

These financial statements have been prepared under Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) under historical cost convention on an accrual basis, except for certain items that are measured at fair values, as explained in the accounting policies. Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

All Ind AS issued and notified till the financial statements are approved for issue by the Board of Directors have been considered in preparing these financial statements.

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division II to the Schedule III to the Companies Act, 2013 (the Act). The Statement of Cash Flows has been prepared and presented in accordance with Ind AS 7 "Statement of Cash Flows". The disclosures with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All amount disclosed in the financial statements including notes thereon have been rounded off to the nearest rupees in thousands upto 2 decimals as per the requirement of Schedule III to the Act, unless stated otherwise.

2.3 Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

2.4 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements. The Company has ascertained its operating cycle to be 12 months for the purpose of current, non-current classification of assets and liabilities.

2.5 Property, plant and equipment (PPE) and Depreciation

- a) Property, plant and equipment are stated at cost of acquisition less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of PPE recognised as at 1st April, 2016 measured as per the previous GAAP.
- b) Cost is inclusive of inward freight, non-refundable taxes and duties and directly attributable costs of bringing an asset to the location and condition of its intended use. All upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

The cost and related accumulated depreciation are derecognised from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

Note forming part of the Financial Statements (Contd.)

Note 2 Significant accounting policies (contd.)

- c) Depreciation on these assets commences when the assets are ready for their intended use. Depreciation on items of PPE is provided on a Straight Line Method ('SLM') basis for the assets acquired on or after 1st April, 1988 and Written down value method ('WDV') for the assets acquired prior to 1st April, 1988 to allocate their cost, net of their residual value over the estimated useful life of the respective asset as specified in Schedule II to the Companies Act, 2013.

The estimated useful lives of Property, plant and equipment of the Company are as follows :

Building (Residential)	- 60 years
Building (Office factory)	- 30 years
Plant and equipment	- 15 years
Electric installation	- 10 years
Furniture and fixtures	- 10 years
Office equipment	- 5 years
Computers	- 3 years

The estimated useful lives, residual values and method of depreciation are reviewed at each Balance sheet date and changes, if any, are treated as changes in accounting estimate.

2.6 Impairment of Assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognized is reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment loss had not been recognized.

2.7 Inventories

Inventories are valued at lower of cost and net realisable value after providing for obsolescence, if any.

Cost of inventory comprises of purchase price, cost of conversion and other directly attributable costs that have been incurred in bringing the inventories to their respective present location and condition. Borrowing costs are not included in the value of inventories.

The cost of inventories other than Raw Materials are computed on weighted average basis. In respect of raw materials, inventories is valued at First in First Out (FIFO) basis. Inventories are written down on a case-by-case basis if the anticipated net realizable value declines below the carrying amount of inventories. Such write downs are recognised in the Statement of profit and loss.

2.8 Revenue recognition

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognizes revenue when it transfers control over a product or service to customers in accordance with Ind AS 115.

The Company recognizes revenue to depict the transfer of promised goods or services to customers in amounts that reflect the payment to which the Company expects to be entitled in exchange for those goods or services by applying the following steps:

- Step -1- Identify the contract with a customer;
- Step -2- Identify the performance obligations in the contract;
- Step -3- Determine the transaction price;
- Step -4- Allocate the transaction price to the performance obligations in the contract;
- Step -5- Recognize the revenue when (or as) the Company satisfies a performance obligation.

THE INDIA JUTE AND INDUSTRIES LIMITED
CIN NO.: L17119WB1916PLC002720
Note forming part of the Financial Statements (Contd.)

- a) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured based on the transaction price adjusted for discounts and rebates, which is specified in a contract with customer. Revenue are net of returns and taxes collected from customers.

Revenue from sale of goods is recognized at point in time when control is transferred to the customer and it is probable that consideration will be collected.

- b) **Service income**
Revenue in respect of maintenance services is recognized on an accrual basis, in accordance with the terms of the respective contract.
- c) **Interest income**
Interest income is recorded on accrual basis.
- d) All other incomes are accounted for on accrual basis.

2.9 Provisions, contingent liabilities and contingent assets

- a) Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.
- b) Contingent liability is disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.
- d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.10 Employee benefits

a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

b) Defined contribution plans

Company's Contributions to Provident fund, Pension fund and Employee's State Insurance Corporation are charged to the Statement of Profit and Loss in the year when the contributions to the respective funds are due.

c) Defined benefit plans

Gratuity is in the nature of a defined benefit plan. The cost of providing benefits under the defined benefit obligation is accounted for as and when it becomes due for payment and liability for leave encashment at the year end is accounted for on cash basis.

2.11 Financial instruments, Financial assets, Financial liabilities and Equity instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

i) Financial Assets

(a) Recognition

Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents, Bank balances etc. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss. Trade receivables are initially recognized at its transaction price which is considered to be its fair value.

(b) Classification

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

(1) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.

(2) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

(3) fair value through profit or loss (FVTPL), where the assets does not meet the criteria for categorization as at amortized cost or as FVTOCI. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade receivables, Advances, Security Deposits, Cash and cash equivalents, Bank balances etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

(c) Impairment

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

(d) Reclassification

When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

(e) De-recognition

Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. If the asset is one that is measured at:

(i) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;

(ii) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

THE INDIA JUTE AND INDUSTRIES LIMITED
CIN NO.: L17119WB1916PLC002720
Note forming part of the Financial Statements (Contd.)

ii) Financial liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

iii) Equity instruments

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

iv) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

v) Dividend distribution

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

vi) Fair value measurement

Fair value is a market-based measurement, not an entity-specific measurement. Under Ind AS, fair valuation of financial instruments is guided by Ind AS 113 "Fair Value Measurement" (Ind AS – 113).

For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions.

In determining the fair value of financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each balance sheet date.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

THE INDIA JUTE AND INDUSTRIES LIMITED
CIN NO.: L17119WB1916PLC002720
Note forming part of the Financial Statements (Contd.)

2.12 Taxes

Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

2.13 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

2.14 Earnings per Share

- a) Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potential dilutive equity shares are adjusted retrospectively for all periods presented for any share split and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

2.15 Operating Segment

The Company is engaged in manufacturing Synthetic and Cotton yarn in India. Based on its internal organisation and management structure, the Company operates in three business segment i.e. Textile, Yarn division and Carpet but only in one geographic segment i.e. India. Accordingly there is no separate geographical reportable segments.

2.16 Foreign Currency Transactions

Transactions in Foreign Currencies are accounted for at the exchange rate prevailing as on the date of the transaction. Foreign Currency monetary assets and liabilities at the year end are translated using closing rates whereas non monetary assets are translated at the rate on the date of transaction. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transaction during the year are recognized as revenue or expenses in the Statement of Profit and Loss.

2.17 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Note 3 Use of estimates and judgements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(i) Useful lives of property, plant and equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(ii) Estimation of Defined benefit obligations

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each financial year end.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the actuary considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

THE INDIA JUTE AND INDUSTRIES LIMITED
CIN NO.: L17119WB1916PLC002720
Note forming part of the Financial Statements (Contd.)

(iii) Impairment of investments

The Company reviews its carrying value of investments carried at cost/amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

(iv) Fair value measurement

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(v) Provisions and contingent liabilities

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

(vi) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from 1st April, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company is evaluating the impact, if any, in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

- 8 As referred to in Note No. 29(8), the company was a sick company and the repayment schedule of the loans was dependent on the sanction of the revival scheme by Honourable BIFR, however subsequent to the repeal of the Sick Industrial (Special Provisions) Act, 1985, the company has not made reference under the new law. Pending ascertainment of details of terms of repayment etc, the loans have been treated as long term borrowings and the repayment schedule for current and non current is presently not ascertainable and accordingly, current maturities/non-current portion of long term loans could not be worked out and disclosed as required by Schedule III of the Companies Act, 2013.
- 9 The loans have been assigned by original lender to others, the charge in respect of assignees Karjan Vyapaar Private Limited, United Credit Limited and Shakambari traders Limited have also been modified.
- 10 Interest accrued upto 31st March, 2023 aggregating to Rs. 5,764.31 thousands (including Rs. 149.59 thousands for the year) on unsecured loan amounting to Rs. 1,000.00 thousands (Previous year Rs. 1,000.00 thousands) as estimated by the management (without considering additional interest, if any, on non-payment of principal interest) has not been provided for and the same will be accounted for as and when paid/settled.
- 11 In terms of Draft Rehabilitation Scheme (DRS) submitted before Hon'ble BIFR, the promoters/co-promoters of the Company shall arrange interest bearing loans of Rs. 22,500 thousands and interest free loan of Rs.12,000 thousands to meet requirements of funds towards cost of rehabilitation scheme. Accordingly, the promoters have arranged the said unsecured loans.

As per BIFR Order dated 20th November, 2013, the Company has taken unsecured loan of Rs. 3,000 thousands from the Managing Director which has been deposited in 'no lien account' (NLA) lying with OA (IFCI Limited) being 25% of the fund estimated for rehabilitation of the company to be brought in by the promoters. The aforesaid unsecured loan of Rs. 3,000 thousands was taken from the Managing Director during the year 2019-20.

- 12 As stated in note no. 29(8), subsequent to the repeal of the Sick Industrial (Special Provisions) Act, 1985, the Company has not made any reference under the new law. The Company had taken loan from shareholders/promoters/co-promoters in earlier years as stated in note no. 14(11) hence steps are being taken for compliance under section 77 of the Companies Act, 2013 read with rules thereunder relating to Acceptance of Deposits by Companies.

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of cash and cash equivalents, trade receivables, other current financial assets, short term borrowings from body corporates and related parties, trade payables and other current financial liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using adjusted net asset value method. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2.

10 Financial risk management objectives and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

(a) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under financial instrument or a customer contract leading to a financial loss. The Company is exposure to credit risk from its operating activities primarily trade receivables and security deposit with exchanges and from its financing activities including deposits placed with bank and other financial instruments/assets. Credit risk from balances with bank and other financial instrument is managed in accordance with company's policies.

Credit risk arising from balances with banks and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by credit rating agencies.

Other financial assets measured at amortized cost includes security deposits and others. Credit risk related to these financial assets are managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system is in place to ensure that the amounts are within defined limits.

Customer credit risk is managed as per company's established policy, procedure and control related to credit risk management. Credit quality of the customer is assessed based on his previous track record and funds & securities held by him in his account and individual credit limit are defined according to this assessment. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets.

The Company assesses and manages credit risk of financial assets on the basis of assumptions, inputs and factors specific to the class of financial assets. The Company provides for expected credit loss on Cash and cash equivalents, investments, trade receivables and other financial assets based on 12 months expected credit loss/life time expected credit loss/ fully provided for. Life time expected credit loss is provided for trade receivables.

Expected credit loss for trade receivables under simplified approach

The Company measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Company operates.

For financial assets, a credit loss is the present value of the difference between:

- (a) the contractual cash flows that are due to an entity under the contract; and
- (b) the cash flows that the entity expects to receive.

The Company recognises in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date in accordance with Ind AS 109. In determination of the allowances for credit losses on trade receivables, the Company has used a practical expedience by computing the expected credit losses based on ageing matrix, which has taken into account historical credit loss experience and adjusted for forward looking information.

The movement of Trade Receivables and Expected Credit Loss are as follows:
